REFUGIO MAZATLÁN NEWSLETTER NO. 35

As summer kicks off, our boys are reveling in a well-earned break after a bustling school year. While their generally strong grades fill us with pride, what truly warms our hearts is the effort they are making to embody Refugio Mazatlán's values

💖💖💖. These are:

Values

Honesty

Be true to yourself and others

Empathy

Care for your fellow human being

Achievement

Do everything to the best of your ability, achieve your goals

Respect

Respect yourself, those around you and property

Thoughtfulness

Think before acting, plan

While academic success is vital to breaking the cycle of poverty, we place even greater emphasis on guiding our boys to become well-adjusted, socially responsible young men whose altruism and community spirit drive real, lasting change.

We are grateful to our dedicated staff whose commitment to Refugio Mazatlán's HEART values encourages our boys to flourish. Through the next couple of months, they will have spotlighted each value—Honesty, Empathy, Achievement, Respect, and Thoughtfulness—through targeted workshops, mentoring, and hands-on activities that bring these principles to life.

Thank you for standing with us as we provide a safe, supportive home for disadvantaged teenagers. Each day we witness resilience, growth, and hope blossoming under your generosity. Your ongoing support empowers our teens to overcome challenges and build the skills they need for independent living.

You can help ensure that every boy in our care finds hope and the tools to thrive.
